

Thank you for your participation in ACT® Work Ready Communities (ACT® WRC) by recognizing or recommending the ACT® WorkKeys National Career Readiness Certificate®. Your County/Parish/City earned certified ACT® Work Ready Community status thanks to efforts of its community leaders and forward-thinking businesses like yours.

We need your help again. As community leaders work toward their maintaining status we need to show that employers are continuing to value the ACT® WorkKeys National Career Readiness Certificate® (NCRC®). If your business currently *recognizes* the WorkKeys® National Career Readiness Certificate® we ask that you thoughtfully look to *recommending*. This means that you request the WorkKeys® NCRC® in recognition of its value as an indicator of workplace skills in hiring and promotional practices. Please reaffirm your support by completing the information below.
